(Boston, USA), 2008-2009

- William Beetham Eye Institute of the Joslin Diabetes Center (Cataract Surgery in Patients with Diabetic Retinopathy)
- Beth Israel Deaconess Medical Center (Uvea and Neuroophthalmology)

Ulucanlar Education and Research Eye Hospital

(Ankara, Turkey), December 2003 – May 2008 (Graduation)

- Ophthalmology Residency (Completed external rotations in Neurology, ENT, Anesthesia & Reanimation departments; and internal rotations of glaucoma, strabismus, cornea, retina, uvea and neuroophthalmology & oculoplastics departments for durations of 3 months each.)
- Chief Resident May 2007- May 2008 (Graduation)

Department of Cardiovascular Surgery, Türkiye Yüksek İhtisas Hospital

(Ankara, Turkey), September 2000 - January 2002

- Cardiovascular Surgery Residency. (Studying on Immunology of Heart transplantation and Peripheral Vascular Surgery & Behcet's Disease)

Uludag University School of Medicine

(Bursa, Turkey), September 1992 – July 1999

- Doctor of Medicine
- Chief of the student associate of medical research studies (October 1998- July 1999)

Educational Activities

- TOS 49st Turkish National Ophthalmology Congress; November 2015
- TOS 48st Turkish National Ophthalmology Congress; November 2014
- TOS 47st Turkish National Ophthalmology Congress; November 2013
- European Society of Cataract and Refractive Surgeons XXX. Congress ; Milan- Italy, September 2012
- TOS 46st Turkish National Ophthalmology Congress; October 2012
- TOS 45st Turkish National Ophthalmology Congress; October 2011
- European Society of Cataract and Refractive Surgeons, XXIX. Congress; Vienna-Austria, September 2011
- Turkish Ophthalmology Society Meeting: Oculoplastics Surgery; April 2011
- AcrySof CACHET Phakic Lens Surgeon Seminar , February 2011
- European Society of Cataract and Refractive Surgeons, 15 th Winter Meeting, February 2011
- European Society of Cataract and Refractive Surgeons, LASİK course 15 th Winter Meeting, February 2011
- New England Ophthalmological Society ,Cataract Surgery; Boston- USA, December 2008
- Turkish Ophthalmology Society Course: Oculoplastics Surgery; September 2008
- TOS 41st Turkish National Ophthalmology Congress; November 2007
- 8th European Neuro-ophthalmology Society Meeting Istanbul-Turkey , May 2007
- TOS 40th Turkish National Ophthalmology Congress; October 2006
- Turkish Ophthalmology Society Course: Blepharoplasty Surgery ,October 2006
- Turkish Ophthalmology Society Course: Glaucoma , April 2006
- TOS 39th Turkish National Ophthalmology Congress; September 2005
- Turkish Ophthalmology Society Course: Neuroophthalmology, April 2005
- Turkish Ophthalmology Society Course: Oculoplastics Surgery, November 2004
- TOS 38th Turkish National Ophthalmology Congress; October 2004
- Turkish Ophthalmology Society Course: Complications of Phaco Surgery ,October 2004
- Turkish Ophthalmology Society Course: Pediatric Cataract Surgery, October 2004
- XVIIth Summer Symposium of Turkish Ophthalmology Society (TOS) Course: Ocular Trauma ,June 2004
- Turkish Ophthalmology Society Course: Refractive surgery , April 2004

Publications and Declarations in International- National Congresses:

- **S. Mutevelli**, K. Elmas, Ö. Bilen, A. Altınsoy, “Effect of Cataract Surgery Combined with Intravitreal Bevacizumab Injection on Progression of Diabetic Retinopathy ” European Society of Cataract and Refractive Surgeons, XXIX. Congress; Vienna-Austria, September 2011 – Poster Session
